

WORSHIP LESSON ONE

1. Every Sunday the church gathers for worship. We read from the Bible, pray, sing hymns, collect and offering, and listen to a sermon. These are the things we do in worship, but how do you define worship?

2. Close your eyes for a couple of minutes and picture our church sanctuary, then make a list of as many things of the things that are in our sanctuary.

3. Look at a worship bulletin from any given Sunday and make a list of all the things we do in worship?

4. The order of our worship is basically:

Call to Worship

Hymn

Prayer of Adoration

Confession of Sin

Assurance of Pardon

Offering

Read Scripture

Time for Young Disciples

Hymn

Sermon

Profession of Faith (usually the Apostles' Creed)

Baptism or Lord's Supper (not every Sunday)

Hymn

Benediction

Do you see any reasons for the way we order our worship?
